Solano County –The California Department of Transportation (Caltrans) announces that it will repair asphalt pavement on State Route 12 from Church Road to Drouin Drive in Rio Vista. In order to complete this work, one lane will be closed from 6:00 p.m. to 5:00 a.m. Monday through Wednesday beginning Monday, June 28 and continuing to Wednesday, June 30. Flagging personnel will be on site to guide motorists through the construction zone. Traffic delays are expected and motorists should allow additional time for their commute.

Drivers should watch for stopped vehicles on State Route 12 in conjunction with the highway closures. Please drive with caution and allow extra distance between your car and the car ahead of you. Caltrans appreciates your patience during these repairs.
